

Further training to become a **Certified Project Management Associate (IPMA® Level D)** is suitable for anyone who wants to learn professional project management and apply it successfully.

- > The seminar consists equally of **classroom sessions** and **self-study**
- > The **time required** is around 95 hours

Practical online learning platform

- > Helpful video tutorials
- > Valuable flashcards
- > Practical exams
- > Extensive knowledge database

- > In person or as live online sessions
- > No prerequisites required

Choose an
exam path:

OPTION 1

- > 25 page project report
- > one written exam (90 min.)

OPTION 2

- > two written exam (90 min. each)

The exam is optional. Responsible for certification is the PM-ZERT of the Deutsche Gesellschaft für Projektmanagement.
With a valid base-certificate, only one exam is needed.

We cover all the relevant skills, including:

- > Effective process and schedule planning
 - > Team leadership and conflict management
- > Agile methods (SCRUM / Kanban)

All in line with global standards in project management.

We are here for you:
